

# SUMMER STREAM SUBSCRIPTION BOXES- GRADES PK-4TH

## WHAT IS STREAM?

---

STREAM STANDS FOR SCIENCE, TECHNOLOGY, RELIGION, ENGINEERING, ART, AND MATH. IT IS A CURRICULUM THAT IS CENTERED AROUND THESE CORE TOPICS. WE USE HANDS-ON PROJECTS AND LITERACY TO TEACH THESE CONCEPTS IN A FUN WAY!

## WHAT IS INCLUDED IN A STREAM SUBSCRIPTION BOX

---

A SUBSCRIPTION BOX IS A CONTAINER OF MATERIALS AND PROJECTS THAT YOU COMPLETE AT HOME. EACH OF OUR STREAM SUBSCRIPTION BOXES WILL CONTAIN FIVE HANDS-ON ACTIVITIES, THE SUPPLIES REQUIRED, AND INSTRUCTION CARDS TO LEAD STUDENTS AND PARENTS THROUGH THE PROJECTS. THEY WILL BE AVAILABLE ONCE PER MONTH IN THE SUMMER.

## PRICES

---

\*LOW PRICES DUE TO GENEROUS GRANT FUNDS FROM THE KAUFFMAN FOUNDATION- MAY BE HIGHER NEXT YEAR\*

1 SUBSCRIPTION BOX- \$20

GET \$10 OFF IF YOU SELECT ALL THREE BOXES!

PLEASE FILL OUT THE BACK PAGE AND RETURN TO RCS BY APRIL 16

DO NOT TURN IN MONEY- YOU WILL RECEIVE A CONFIRMATION LETTER OF YOUR ENROLLMENT IN THE PROGRAM AT THE END OF APRIL AND WILL BE CHARGED AT THAT TIME.

## REGISTRATION FORM

STUDENT NAME \_\_\_\_\_

PLEASE PUT A CHECK NEXT TO EACH CAMP YOU ARE INTERESTED IN AND RETURN BY APRIL 16.

**\*PLEASE TURN IN ONE SHEET PER STUDENT\***

FOR ANY QUESTIONS PLEASE CONTACT MS. DORSEY AT [ADORSEY@RCSKCK.ORG](mailto:ADORSEY@RCSKCK.ORG)

### June Box- Kitchen Chemistry

This box has all the supplies you need to learn how to use STREAM in the kitchen! You will turn milk into plastic, inflate a balloon with chemicals, turn coins different colors, and even make ice cream!

### July Box- Engineering Adventures

This box will be every builder's best friend! Learn how to make candy catapults and bridges, save an animal with simple machines, launch rockets through the air, and even build a robotic hand!

### August Box- Art Activities

Did you know that you can even find math and science in art? This box will provide lots of opportunities to explore the creativity sides of STREAM- color with the sun, draw with water droplets, paint with a pendulum, and even make your own colorful crystals!
